A LITTLE

Night Magic

MYSTIKOL™
from jane iredale

Nighttime magic comes your way with Mystikol™, a totally new eyeliner and highlighter that creates definition around the eye for a soft, smoky effect.

This creamy powder formula won't fade, crease or smear. Hypoallergenic and dermatologist tested, Mystikol™ is safe for even the most sensitive eyes.

Select the sultry shade that's right for you:

Malachite

A sparkling moss with buttery beige

Amethyst

Royal purple with luxurious pearl

Dark Topaz

Rich brown with velvet rose

Lapis Lazuli

Vibrant blue with shimmering ivory

Onyx

Otherworldly black with creamy pearl
