

# Restore the Skin

Lumiquin®  
& Nectifirm™  
from  
Revision® SkinCare

## Benefits of Lumiquin® brightening treatment for younger-looking hands.

- Brightens skin and reduces appearance of age spots
- Provides volumizing effect to minimize the appearance of veins
- Supports skin's natural barrier against environmental stressors
- Enhances skin's moisture level so hands look smoother

NEW  
PRODUCTS

## Nectifirm® for firming the neck & décolletage.

Rejuvenates fragile skin on the neck and décolletage by treating it differently than the skin on the face.

Caters to the neck's specific needs by containing 8 actives that work together to help strengthen the dermal-epidermal junction.

With continued use, skin is smoother, hydrated and better able to withstand gravity's daily pull.
